## Prayer Requests

April 2006

- Thank God with us for the new Pro-Vision office
- Pray that God would continue to lead us ministering to pastors
- Please pray with us for a good permanent solution to our water situation
- Pray for us as we expand the children's ministry to Navojoa and Obregon
- Pray for Larry Hagberg (Wycliffe translator in area) fighting cancer as he continues translation work

Thank You for your support & prayers for this ministry. We are in this together.

## OFFICE OPEN!

Have sink (and dishwasher!) Materials Solutions  
Visitors 101 Celebrating Easter Rest for the Weary  
1000 flyers & 100 posters = \$4 Fresh Curriculum

We love our new house and office! Kitchen counters and a sink, hot water and the shower should be done in a few days! No more trips to the motorhome for showers (wahoo). I actually got a latch installed on the bathroom door before Saturday's event.

## We typically receive 2-4 sets of visitors every day at the Pro-Vision office.

These men have a Christian music band, and they brought the keyboard in hoping we would help them with the English instruction manual. They left with bundles of blank CDs & cassettes and encouragement to continue in the ministry.

New 5-week curriculum written, produced, and given out to over 20 churches in Huatabampo, and Navojoa (city of 200,000) will get it on April 1st!

## RANCHO PRO-VISION...

...continues to be a whirlwind of activity! This month saw us get more moved-in to our new home and our office set-up and functioning.

Behind me, a Pastor's wife is sewing Rabbi costumes for the new Easter curriculum (The work helps us and the \$\$ are a real blessing to the Pastor and his family,) Lupita is running our collator assembling teacher's books for the Easter curriculum, and back in the office; Kristi is formatting this newsletter (You go girl!)

We continue to be amazed at the openness and opportunity for ministry.

The booklet collator and poster printer are working. The collator will do 3000 booklets an hour. Then, we just run them through the stapler / folder and we have a booklet. What a time saver, and it is more accurate than doing it by hand. The poster printer will make 42" wide posters for a couple bucks a foot. This is a boon to pastors promoting events and campaigns. We do about three packets of campaign flyers and posters a week. A typical packet includes 1000 handbills and 100 11x17 posters all in two color on our Risograph. The cost is less than \$4 and the Pastors are really happy with the service.- helping them promote their events.

A special day for the pastor's wives

Yesterday, we had three visits before noon. It makes it hard to get things done sometimes, but we were able to give real help to everyone, and that is why we are here. Everyone who came left with their arms full of materials. Curriculum that we gave them for free, and other Christian supplies that they purchased from our little "Christian bookstore," where we sell all items at cost to make them affordable. (pictured at left)

Thank you for supporting us in prayer and financially! We are so happy to be here, and are thrilled with the fruit of the ministry- the whole team (including you!) is making this possible. -Dwight and Kristi

## EVENTS

We had two events here this month. The monthly Children's Ministry training drew almost 40 teachers. Each received a 5-week Easter Sunday School curriculum that we wrote and produced. The teachers were so happy for the materials; they have already started planning how they will use them.

The second event was a special day for pastor's wives. Each received a facial, foot treatments, and a manicure. It was a great time of refreshing for all. Kristi took time to minister to them in prayer, which was very effective.
